

# Writing My Economics Degree Essay Live! // BSc Economics & Finance

so just I don't know just work hard I was I was motivated because I just had it offered I wanted to achieve and I liked York chef started now yeah I'm sir I'm second year econ it's really damn hard the mats were especially shocked to me FBS pfb spin yeah I agree mass was a shock to me I thought like yes no more no more matter after a level no that was wrong that was so wrong do you study King Dean or can new classical or study both of them too honest have you stopped says it have you stopped session so hard Declan I have indeed I have indeed uni is shite well Gracie to get a level I watch YouTube I got BBB I have statistics exam tomorrow but i'm watching a video sarah statistics mad I haven't started revising that module yet and I forgotten all of it but that's just life you know I mean none of them ones let me put this up here I can get a better view at the old chat now Oh what the hell just happened there well my oh oh shit no sir oh my see my screen my screen start flickering because I don't know why but um my laptop's working then goodness answer me do you need a wee-wee and mr start no no I don't never stop session you know true big are valid valid no the Jamie F's been what you'd you best club in York best club in New York all of them all of them vastly solid night out gonna come York no you're never gonna your walk at this right that's a good point now is a good point let me get back to some work nice work I need to do what now okay that's very distracted okay I say if this is awful yeah because he's hard to UM it's hard to do bits while while I'm while I'm revising I mean let me I know I'm gonna distract it burnt yeah so it's hot that made no sense why said basically it's hard to actually type up an [essay on money management](#) while thinking about YouTube and livestream and talking if you know I mean moving on to second paragraph yeah so I planned this for about 510 about know pretty about 25 minutes and like that I find the essays in the tree really challenging so like I have to think about stuff a lot obviously I've been revising hard so they can do you plan on say talking about automatic stabilize and they say considering they rely heavily on yeah low-key automatic stabilizer definitely sounds what I should be talking about I mean let me give it a good Google automatic stabilizers because obviously I'll have a look here and then see what I've learned in class automatic stabilizer I cannot make policies yes let me let me just go back to examples corporate and personal taxes taxes a fiscal policy though aren't they yeah so automatic stabilizers prefer how to how fiscal policy instruments will influence the rate of GDP growth currently talk about fiscal policy I don't think yeah no change in fiscal policy either no I'm just going to continue with this and see how many words I get done and if I hit their word count then I'll just stop this is just rough remember guys I don't to get slated in the comments for this investor Tokyo is the one you know investor Toby was actually the one choose to you yeah look Neil Kennedy yeah automatic stabilizers fiscal policy oh my god it's in the business cycle cuz I go on economics mop tomorrow good luck Mohammad Jamie yeah what did you get a d-cell see I got one a star three A's for bees three C's furthermore a decrease in Oh Matthew how Matthew my guy I appreciate the two pounds I'm good I am good basically Matthew reasonably good friends at school used to sit there in business studies and you know geography to deal with basically in business studies we've always messed around and used to like maybe we was on the YouTube grind together or just

joking around oh they're pretty sure that Matthew have to link up suit you know yeah business study GCSE GCSEs were the fun days actually fun days econ plus style is saving you through it econ plus star is just a man 100% Jack Hall hated and I would not focus in the word limit just focus on getting amazing quality you can do this thank you yeah yeah that's true I'm getting help from others eminent bar oh wow it's not this isn't this isn't a marked assessment or anything like that it's like a mock but it's not much cuz it's not it's not getting marked but it's a real question kind of thing will to a decrease in output as output Oh what's going on there as output Oh as output has decreased unemployment we're in fries no okay
